HOW IT WORKS

During each Quarterly Walkthrough, we will:

1. Assess the condition and quantity of each item.

2. Replenish supplies as needed to ensure readiness.

3. Notify you if specialty items or bulk replenishments are required.

BILLING

Replenishment of supplies will be billed based on the cost of materials and any associated labor required during restocking.

For any questions about this checklist or specific supply requests, *please contact your Account Manager or Rental Manager.*
