

## EAST BOUND

For travelers seeking the dreamy Hampton summer lifestyle and for local homeowners looking for a solution to summer renting, **StayMarquis** ([staymarquis.com](http://staymarquis.com)) has revised the Hamptons rental model with more than 300 East End properties. "Owners and our guests want to avoid the problems usually associated with renting, such as overcrowding and mismanagement," co-founder Bryan Fedner says. "Our clients want a five-star experience in the Hamptons without the hassle, and that's what we deliver."

For homeowners, StayMarquis takes care of all listings, showcasing and pricing, in addition to building the properties' rental reputation and seeing to all needs of the houseguests. A full concierge service can arrange exercise classes, grocery shopping, transportation and even surf lessons for the full Hamptons experience.
